

We offer French courses to expatriates in French-language environment. They are addressed to businesses as well as individuals. The method is active: you learn by talking. Our programs and courses are adapted to your strengths, your way of learning, your skills assessed during a 45 min trial. Depending on your goals, your needs, time to dedicate to French, we create a tailor-made program from one of our offers. Contact us by email to discuss and get a free trial.

Our offer is adapted to 100% to businesses. We focus the content on practical and everyday life. Employees also find support for their professional communication in French, whether formal or informal. The learner remains effective at work while he learns the language. All our offers are available for businesses and we create groups on request. Contact us to receive a quote.

HERE ARE ALL OF OUR OFFERS

COMPLETE LEVELS from 72 CHF/hour

A0 - A1

Great beginner! It's the beginning of the adventure. Above all, welcome! Now you have to learn the rudiments of French and communicate from simple sentences. Let's start with phonetics and build your daily together.

A1 - A2

You know sentences learned by heart and understand short messages in a known context. We help you expand the first circle of daily communication and useful vocabulary to your daily lives. Let's expend your possible.

A2 - B1

You already understand more and better. And you participate in small conversations. It is now a question of giving your opinion and progressively preparing to the professional context. We are preparing to talk about society.

B1 - B2

You understand 70 to 80% of conversations and you can talk about topics that touch you directly. We help you express in a fluid way and talk about a larger number of topics. You can already practice certain jobs.

B2 - C1

You are bilingual in your understanding and you expressed yourself well, but there are still unknown fields and you must be more accurate to make you understand. We guide you to clearly express your thoughts.

C1 - C2

French is your working language and everyday expression, you express yourself very well. You can still deepen your knowledge because we never stop learning. Visit the depths and discover together all the subtleties of the French language.

OUR NEWSLETTER « Saveurs & Savoirs »

It's free and simply register via our website to receive the bilingual sheet that deals with tips and tricks to learn, idiomatic expressions, etymology of French or anecdotes on the history of the French language! The words «saveur» - "flavor"- and «savoir» - "knowledge"- have the same Latin origin. We chose this title because learning and knowing, it is above all to have good taste.
